21 May 1952

MEMORANDUM FOR: Assistant to the Director of Training

SUBJECT : Mobile Audio-Visual Devices Progress Report #3

25X1

1. On 12 May 1952 [ ] of Procurement, [ ],  
 O/Training, [ ] and myself met to  
 discuss a revised proposal to be submitted by [ ]

2. [ ] brought out the fact that the project is labeled  
 "restricted" and as such [ ] has to pass certain clearance  
 procedures before any discussion relative to the project may begin.

3. Later in the day [ ] informed me that the necessary  
 clearance for [ ] has been made previously for another project?  
 and that it was permissible to go ahead with any negotiations. ?

4. [ ] does know our needs for a pilot model and has  
 agreed to call me to submit a proposal for the pilot model by 16 or 19  
 May 1952. As yet, I have not had any word from [ ]

5. In the meantime, I have checked other sources I felt capable  
 of fulfilling our specific needs. I suggest that it is possible for TAB  
 within the time limit specified by the Assistant to the Director of  
 Training, to develop a pilot model with outside technical assistance  
 without waiting for a specific proposal from [ ] This model,  
 once developed, may be placed later on a competitive production bid or  
 produced by TAB under the same arrangement used for the pilot model  
 production. The details on this proposal are outlined in Attachment A.
